

JOIN THE 100 TREES CLUB!

Connect to the people and places that matter to you

As part of the 100 Trees Club you will be demonstrating your commitment to sustainability in Greater Manchester and beyond. Your support will be connecting communities through tree planting and woodland management projects across the city region – engaging colleagues as well as customers.

100 Trees Club members will receive the following exclusive annual benefits:

- 100 Trees Club logo for use on your website and social media
- Framed certificate to display
- Shoutouts on our social media channels and partner e-newsletter
- Your logo on the 100 Trees Club section of our website
- An invitation to two Citizen Forester volunteer days for up to 10 employees, just for 100 Trees Club members
- Annual networking event to meet like-minded businesses and celebrate the achievements of the movement
- Recognition at City of Trees annual partner briefing event

Join the club!

GROWING THE MOVEMENT

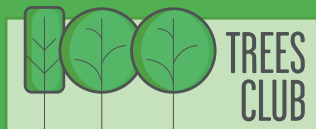

You will be helping to achieve the goals of the City of Trees movement:

- Plant 3 million trees, one for every man, woman and child across Greater Manchester
- Bring 2,000 hectares of unmanaged woodland back into use for the community
- Connect people to the trees and woods around them

Every £10 helps plant a tree and connects more people to nature – join the 100 Trees Club for £1,000+VAT per year and grow more trees for Greater Manchester

Every tree planted, hectare of woodland managed and person connected to nature in Greater Manchester will be part of the £500m Northern Forest vision to plant 50 million trees across the North of England, from Liverpool to Hull

Community Forest Trust (CFT) is the charitable organisation that supports the delivery of the City of Trees movement. Charity registration number 1072706.
